Description

Derbyshire Constabulary is currently looking into the available options for our Structured Professional Support Services. This contract will fall under our Occupational and Health and Wellbeing department. Structured Professional Support Services (SPS) provides confidential non-therapeutic sessions with experienced clinicians for high-risk roles. The aim is to provide overall wellbeing for both home and work life. Derbyshire Constabulary are now assessing available options so that a business case can be created to move the procurement forwards. To inform the business case, we are reaching out with this Request for Information [RFI] to the market to carry out a full review of existing SPS providers. If the business case is approved, a compliant procurement route will be taken in line with the Procurement Act 2023.
