Changes to notice

This notice has been edited. The [previous version](#) is still available.

Update to instructions - addition of tendering portal information

Scope

Reference

C394949

Description

South East Coast Ambulance Service NHS Foundation Trust (SECAMB) is seeking Suppliers to provide bodywork & associated recovery and repair services for damaged vehicles leased to the Authority, the property of, or in the custody or control of the Authority. The repair service shall include all inspection, repairs, adjustment, restoration and re-placement of assemblies and components used to construct a complete vehicle.

The tender will cover the Kent, Surrey and Sussex Regions.

SECAMB is intending to issue an open tender early November 2025

Contract period will be for an initial 2 year period with 2 options to extend for 1 year (4 years total)

SECAMB is intending to appoint multiple providers to cover the geographic regions.

The contract value is the maximum estimated combined value of all lots over the full four year period.

The Trust has adopted the electronic Tendering portal 'Atamis' ("e-Tendering Portal") for all of its tender activity, the System can be found at <https://health-family.force.com/s/Welcome>.

Please login and search for project C394949 SECAMB Vehicle Accident Repair, to take part in this opportunity.
