Scope

Description

Kent & Medway Mental Health NHS Trust is acting as the lead organisation in collaboration with Kent Community Health NHS Foundation Trust and Medway Community Healthcare (collectively the "Contracting Authorities"), to invite tenders for the provision of Linen & Laundry Services.

The Contracting Authorities are procuring this contract following the Open Procedure under the Procurement Act 2023 and the its Standing Financial Instructions.

The Supplier will provide a fully inclusive Linen and Laundry Service to deliver the following:

- Provision of Clean Linen to point of use (department and ward level);
- Collection and processing of Used Linen from point of use (department and ward level); and
- Repairs and alterations to Linen and uniforms

The Linen and Laundry Service shall be provided ensuring that there is an adequate

supply of Linen available at each of the relevant properties, 24 hours per day, 365 days per year.

A high standard is required for our patients, visitors and staff to reflect the requirements of the client, the care quality commission (CQC) and NHS Patient lead assessments of the care environment (PLACE).

The Contracting Authorities will be awarding one joint Contract for the provision of all services detailed in its Specification.

Please note that Medway Community Healthcare is not a public authority, and it is therefore not possible to provide their details within the "Contracting Authorities" section of this notice as they do not have an account on the Central Digital Platform. We have therefore provided the full details below:

The 'Total value (estimated)' figure stated within this notice represents an overall estimated contract value. This value reflects the potential scale of the contract and takes into account optional extension periods. This figure does not however take into account:

- (i) the application of indexation; or
- (ii) potential increases or decreases in the demand for services during the Contract term as detailed within the tender documents. The Contracting Authority does not guarantee

any volume or value under this contract or in association with this notice.

Description of risks to contract performance

Contract Performance:

The Contracting Authorities have identified the following risks as risks that satisfy the criteria of Schedule 8 sub-paragraph (6)(a) of the Procurement Act 2023 i.e. that the risk/s could jeopardise the satisfactory performance of the contract but, because of its/their nature, cannot be addressed in the contract as awarded:

(i). increased demand for the services during the Contract term due to changes to the organisational structure, or services offered by, any of the Contracting Authorities.

The Contracting Authorities has concluded that there is a possibility that the contract may have to be modified as a result of a materialisation of the known risk at a later date in accordance with Schedule 8 paragraph 5 of the Procurement Act 2023

Exclusions:

If at any time during the procurement, or post award, it comes to the attention of the Contracting Authorities, by whatever means, that a Supplier has become 'excluded' or 'excludable' as per Sec 57 of the PA2023, the Contracting Authorities, after compliance with its obligations under the PA 23, reserves the right to exclude said Supplier from the procurement procedure or terminate any contract they have been awarded.

Reservations of rights and disclaimers of liability:

The Contracting Authorities expressly reserves the right:

(i). not to award any contract as a result of the procurement process commenced by publication of this notice;

(ii). to make whatever changes it may see fit to the content and structure of the tendering Competition; and

(iii). in no circumstances will the Contracting Authorities be liable for any costs incurred by candidates

Procedure

Procedure type

Open procedure

Justification for not publishing a preliminary market engagement notice

Preliminary market engagement has not been undertaken due to a compressed procurement timeline driven by the expiry of the current contract, the need to maintain uninterrupted linen and laundry services, and internal governance deadlines. The Trusts have a clearly defined service scope and performance expectations based on historical usage data and stakeholder input. Given the limited supplier market capable of delivering these specialised services, market engagement was considered unlikely to yield additional value and would risk delaying the tender unnecessarily.
