Description

Warwick People Team's Learning & Development Dynamic Framework of Service Providers. The service would include designing, developing and facilitating Warwick staff learning solutions across a range of topics, cohort sizes, event types and lengths to meet defined learning objectives. All learning solutions would be adaptable to allow delivery in-person on campus or virtually via Microsoft Teams or Zoom. The framework agreements would be monitored and managed centrally by Warwick's People Team, with services mainly commissioned by this team, however as required, access to service providers would be extended to any of our 13 faculties across the University. This requirement is split into 5 lots.
