Description

Insurance Services 5 will follow earlier iterations in offering value for money and compliant access to insurance services provided by brokers, insurers and claims management companies in a highly regulated market. Services will be offered to the whole of the public sector to enable the sourcing of all aspects of insurance services, including but not limited to: brokerage advice, insurance cover, claims management services. Management of insurance and risk management programmes. Ranging from complex combined business insurance programmes to one off renewals and urgent insurance coverage.
