Contract

## **Develop an Open Mosaic Habitats on Previously Developed Land (OMH) GIS layer**

Natural England

UK7: Contract details notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-066394

Procurement identifier (OCID): ocids-h6vhtk-059e43 ([view related notices](#))

Published 17 October 2025, 3:01pm

### **Scope**

### **Reference**

2025/S 000-060187

### **Description**

The work relates to the draft inventory of OMH published in 2013 and not updated since. The scale of the change in the extent of OMH since 2013 was unknown so in 2024 a contract was let to compare the polygons within the draft inventory against the latest available aerial imagery. This confirmed that 25% of the polygons no longer contained OMH and should be removed from the inventory and in another 30% of the polygons OMH was still present but the boundary of the polygon required amendment to account for partial loss from development or vegetation succession.

The work is to use the data from the 2024 contract and remove and amend the polygons from the draft inventory where OMH has been lost to create a more accurate GIS layer.

## **Contract 1. Develop an Open Mosaic Habitats on Previously Developed Land (OMH) GIS layer**

### **Supplier**

- AXION SOLUTIONS LTD

### **Contract value**

- £16,470 excluding VAT
- £19,764 including VAT

Below the relevant threshold

### **Date signed**

14 October 2025

### **Contract dates**

- 20 October 2025 to 27 February 2026
- 4 months, 8 days

### **Main procurement category**

Services

## **CPV classifications**
