Published 17 October 2025, 4:00pm

Changes to notice

This notice has been edited. The [previous version](#) is still available.

Scope

Reference

WS2529583306

Description

Electrical material including components, harnesses and cables for the Central Line Fleet.

Total value (estimated)

- £4,500,000 excluding VAT
- £5,400,000 including VAT

Above the relevant threshold

Contract dates (estimated)

- 15 April 2026 to 14 April 2031
- Possible extension to 14 April 2033
- 7 years

Description of possible extension:

Option for extension in place to allow for delays to delivery/programme, possible re-work of materials, etc...

Main procurement category

Goods

CPV classifications

- 34000000 - Transport equipment and auxiliary products to transportation

Lot 1. Bespoke Components Harnesses

Description

Bespoke ECN components Harnesses are required by critical DTS (Data Transmission System) and PIS (Passenger Information System) parts. These bespoke components also form part of the design integration for the other saloon systems, i.e. CCTV. The design has been verified and validated.

Same for all lots

CPV classifications and contract dates are shown in the Scope section, because they are the same for all lots.

Lot 2. Other Harnesses

Description

All remaining ECN harnesses will be made available to qualified suppliers with the capability and interest to deliver complete harness assemblies. This approach is designed to promote competition.

Same for all lots

CPV classifications and contract dates are shown in the Scope section, because they are the same for all lots.

Lot 3. Other Electrical Parts

Description

A range of electrical miscellaneous parts will be procured with reference to specialised packaging and labelling in the correct sequence to support efficient installation.

Same for all lots

CPV classifications and contract dates are shown in the Scope section, because they are the same for all lots.

Participation

Particular suitability
