Description

The College of Policing is seeking information from suppliers to better understand the market capability and potential solutions for an online exams platform that integrates a question bank, exam design, delivery, and analytics. The RFI aims to identify suppliers with proven experience delivering large-scale, secure online assessment platforms suitable for high-stakes professional exams.

This exercise is for information gathering only and is not a formal tender. The responses received will help the College refine its requirements, implementation

approach, and potential procurement routes.
