UY PROC 1212

Description

The University of York is pleased to invite tenders for the provision of a High-density and wireless sleep EEG system for the Department of Psychology. The Department is an Experimental Psychology department and its research and courses reflect this. The system is required to have capacity for wireless recording of high-density sleep EEG data. Capacity for saving data both online and memory card and for rapid recharge is also expected. The supplier must be capable of providing the University's minimum requirements - please download the tender pack from the In-Tend system for further details - https://in-tendhost.co.uk/york/
