Description

Wythenshawe Community Housing Group (WCHG) is reviewing its ICT infrastructure to support the organisation's wider digital transformation and ensure it remains robust, secure, and future-ready. Our current on-premise environment underpins a wide range of business-critical systems and services, and the Group is now seeking to transition to a modern cloud-based infrastructure that offers improved scalability, resilience, and cost efficiency.

The project will include both:

1. Migration of WCHG's on-premise infrastructure to a cloud platform (e.g. Microsoft Azure or equivalent).
2. Establishment of a Managed Service or wraparound support arrangement, providing a trusted escalation and support partner for WCHG's internal ICT team both during the migration project and as an ongoing managed service post-transition.

Contract dates (estimated)

- 1 July 2026 to 30 June 2028
- 2 years

Main procurement category

Services

CPV classifications

- 72000000 - IT services: consulting, software development, Internet and support

Contract locations

- UKD - North West (England)

Engagement

Engagement deadline

5 November 2025

Engagement process description

Wythenshawe Community Housing Group (WCHG) is reviewing its ICT infrastructure to support the organisation's wider digital transformation and ensure it remains robust, secure, and future-ready. Our current on-premise environment underpins a wide range of business-critical systems and services, and the Group is now seeking to transition to a modern cloud-based infrastructure that offers improved scalability, resilience, and cost efficiency.

The project will include both:

1. Migration of WCHG's on-premise infrastructure to a cloud platform (e.g. Microsoft Azure or equivalent).
2. Establishment of a Managed Service or wraparound support arrangement, providing a trusted escalation and support partner for WCHG's internal ICT team both during the migration project and as an ongoing managed service post-transition.
