### **IV.1) Description**

#### **IV.1.1) Type of procedure**

Award of a contract without prior publication of a call for competition in the cases listed below

- The services can be provided only by a particular economic operator for the following reason:
  - absence of competition for technical reasons

Explanation:

The contract is awarded under Lot 5: Blue Light Solutions of the RM6259 Framework, which permits direct awards where a suitable solution is identified without further competition. Axon is a proven provider of mission-critical digital evidence and body-worn video solutions, already in use by the force, which reduces implementation risk and ensures interoperability. These factors collectively support the decision to proceed with a direct award.
