Description

Following the notification by CCS to bidders via the eSourcing Portal on 22/10/2025 and 24/10/25 of their decision to pause Standstill, the new Standstill period is as follows:

Award decision date - 10th November 2025

- Date assessment summaries were sent to tenderers - 10th November 2025
- Standstill period - 10th November to 19th November 2025 (8 working days)
- Earliest date the contract will be signed - 20th November 2025
- Contract dates (estimated) 20th November 2025 - 19th November 2029 (4 years)

Due to technical issues with the Central Digital Platform CCS have been unable to issue a

new or replacement notice and are therefore providing the new dates of Standstill in this notice.

This framework is for the provision of Estate Management Services which can be utilised by Central Government Departments and all other UK Public Sector Bodies, including Local Authorities, Health, Police, Fire and Rescue, Education and Devolved Administrations.

It is intended that this commercial agreement will be the recommended vehicle for all Estate Management Services required by UK Central Government Departments, Local Authorities, Wider Public Sector, Charities, Devolved Administrations, NHS and Blue Light organisations including UK and International usage. The Services are divided into eleven Lots:

1. Total Estate Management
2. Estate (Property) Management
3. Agency and Lease Management
4. Surveying and Strategic Advice
5. Valuation and Compulsory Purchase Orders
6. Business Rating Services
7. Workplace Services Performance Partner
- 8a. PFI Technical and Strategic Advice Services
- 8b. PFI Surveying Services
- 8c. PFI Fire Safety and Audit
- 8d. PFI Specialist Commercial and Financial Advice.

We have used the dummy supplier data for each contract within the contract awarded supplier sections and the unsuccessful suppliers in tenders section within this notice. The link to the full list of suppliers which has been published on CCS website is detailed in awarded supplier and unsuccessful supplier website field within this notice.

Commercial tool

Establishes a framework

Lot 1. Total Estate Management

Description

Operation and management to support the occupation of the central government and wider public sector estate, providing technical due diligence where required, providing an end to end service provision for the lifecycle of a property.

Lot 2. Estate (Property) Management

Description

Operation and management to support the occupation of the central government and wider public sector estate, providing both technical and operational due diligence where required, including providing an oversight of the property to include policy, maintenance, capital works and strategic asset management plans in support of the buyers' property strategy.

Lot 3. Agency and Lease Management

Description

Management of freeholds or leaseholds to support the acquisition, occupation or disposal of the central government and wider public sector estate, providing technical due diligence where required.

Lot 4. Surveying and Strategic Advice

Description

Provision of surveys, studies and strategic advice to support the occupation of the central government and wider public sector estate, providing technical due diligence where required.

Lot 5. Valuation and Compulsory Purchase Orders

Description

Valuation of built, physical, mechanical and electrical assets ranging from desktop to RICS Valuation - Global Standards ("Red Book") methodologies to comply with IFRS, RICS or departmental internal accounting procedures and compliance for central government and wider public sector estate, including services to support compulsory purchase orders.

Lot 6. Business Rating Services

Description

Provision of rating support (Inc. payment) and rating appeal services as per Check, Challenge & Appeal process for England, Scotland and Wales and the rateable value services for Wales, Scotland and Northern Ireland for central government and wider public sector estate.

Lot 7. Workplace Services Performance Partner

Description

The purpose of the IWM Lot is to allow the Buyer to develop a single point of contact (In-house under the light option or service delivery partner under the full Integrator option) to instruct and monitor the provision of those Services delivered by third party suppliers, and to facilitate asset, building and property data and management information to enable the Buyer to make informed decisions to support capital investment, estate strategy and cost/resource optimisation.

Lot 8a. PFI Technical and Strategic Advice Services

Description

The purpose of the PFI Technical and Strategic Advice Services Lot is to provide strategic, technical, commercial, project, programme, operational and estates management advice and support, during the operation, expiry and future service delivery of the PFI estate. All services outlined in this framework scope fully support the delivery of standardised processes as defined in Infrastructure Project Authority (IPA) PFI guidance. This excludes legal advice.

Lot 8b. PFI Surveying Services

Description

The purpose of the PFI Surveying Services Lot is to allow for the provision of asset condition surveys, studies and strategic advice to support with the operation, expiry and future service delivery of the PFI estate, providing technical due diligence where required. Services outlined in this framework fully support the delivery of standardised processes as

defined in Infrastructure Project Authority PFI guidance and collaborative ways of working.

Lot 8c. PFI Fire Safety and Audit

Description

The purpose of the Fire Safety and Audit lot is the provision of fire surveys, studies and strategic advice to support with the operation, expiry and future service delivery of the PFI estate, providing technical due diligence where required. Services outlined in this framework scope fully support the delivery of standardised processes as defined in Infrastructure Project Authority PFI guidance and the collaborative ways of working.

Lot 8d. PFI Specialist Commercial and Financial Advice

Description

The purpose of Lot 8D is to provide specialist commercial and financial advice in relation to privately financed projects that may be general advice or may relate to one or more specific transactions.
