Scope

Description

NHS Derby and Derbyshire Integrated Care Board (referred to as the Commissioner) are inviting suitably qualified and experienced providers to express their interest in delivering an Integrated Community Equipment Service.

Derby Integrated Community Equipment Service (DICES) provides a range of equipment on loan to people of all ages ordinarily resident in the city of Derby, following assessment and prescription by a recognised prescriber.

The service being commissioned relates to the logistics of supplying, collecting and maintaining the equipment. Clinical input to the service is provided through the pool of recognised prescribers, a clinical commissioning function provided by DDICB, and a multiagency Equipment Review Group. The provider will work within this framework, ensuring that the agreed clinical governance arrangements, both for individual items of equipment and strategic decisions about the equipment to be provided/policies and procedures for equipment provision, are followed appropriately.

The contract will be for a period of 3 years with the option to extend for up to a further two years.

Please note there is a financial threshold associated with this procurement. Please refer

to procurement documentation for further details can be found within the procurement documentation.
