Tender

Appointment of a Supply & Installation Label Applicator, Service and Maintenance

MHRA

UK4: Tender notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-067072

Procurement identifier (OCID): ocds-h6vhtk-05cff6 ([view related notices](#))

Published 21 October 2025, 12:31pm

Changes to notice

This notice has been edited. The [previous version](#) is still available.

The contract value and description have been updated to reflect the total payable value (Whole-Life Cost).

The revised estimate is £470,000 including VAT, comprising £230,000 for equipment purchase and installation, and £240,000 for servicing, maintenance and consumables over five years.

No changes have been made to the specification, scope, or procurement route.

Scope

Description

- 2.1 This service is required for the MHRA site at South Mimms EN6 3QG.
- 2.2 A new label applicator for the manufacturing department within MHRA is required. The aim of this machine is to improve labelling accuracy, efficiency, and output.
- 2.3 The machine will also improve the quality of biological reference materials produced by ensuring consistency of labelling across all containers and batches.
- 2.4 The machine will be designed, built, delivered and commissioned. There will be ongoing service contracts, which includes planned preventative maintenance, and call-out/response agreements to manage corrective repairs all aimed at minimising machine downtime.

Total value (estimated)

- £192,000 excluding VAT
- £470,000 including VAT

Above the relevant threshold

Contract dates (estimated)
