Description

Dorset Council is seeking a single supplier to deliver the management of the Household Recycling Centres, Waste Transfer Stations and associated services, including marketing of recyclate collected at the kerbside (Resource Management and Transport Contract 2026). The operational service delivery elements will commence on 28 August 2026. The scope includes:

Operation of the ten Household Recycling Centres (HRC) -including all associated onward haulage

Operation of the three Waste Transfer Stations (WTS) - including all associated onward haulage and recyclate marketing of recyclate

Operation of one Recyclate Transfer Stations (RTS) - including all associated onward

haulage and marketing of recycle

Haulage from one Authority operated Waste Transfer Station

Treatment of HRC residual waste and certain recycles

Skip / bank services

A Preliminary Market Engagement notice was advertised 11 April 2025 with a deadline for comments in relation to this procurement of 2 May 2025.

This is an open procedure in accordance with section 20(1) and (2)(a) of the Procurement Act 2023. The procedure does not allow for refining of the award criteria, and there is no scope to negotiate.

In accordance with Section 18 of the Procurement Act 2023, the use of lots was considered during the planning phase of this procurement and it was determined that dividing the requirement into lots would not be appropriate or beneficial in this instance. Therefore, a single contract approach has been adopted.

The Contract will be for an initial 8 years, with four optional 12-month extension periods (1+1+1+1), subject to satisfactory performance and funding, giving a potential total contract period of 12 years.

The current budget for the services under this contract is £7,364,000 (2025/26).

The total advertised contract value detailed in this notice allows for potential changes in scope / requirements and or funding during the contract term.

The contracting authority reserves the right to carry out a subsequent procurement of similar goods, services or works in reliance on the direct award justification in paragraph 8 of Schedule 5 to the Procurement Act 2023.) .

Total value (estimated)

- £130,000,000 excluding VAT
- £156,000,000 including VAT

Above the relevant threshold

Contract dates (estimated)

- 28 August 2026 to 27 August 2034
- Possible extension to 27 August 2038
- 12 years

Description of possible extension:

The Contract will be for an initial 8 years, with four optional 12-month extension periods (1+1+1+1), subject to satisfactory performance and funding, giving a potential total contract period of 12 years.

Options

The right to additional purchases while the contract is valid.

The contracting authority reserves the right to extend or renew the term of the contract as stated above.

The contracting authority reserves the right to additional goods, services, or works while the contract is valid.

The Contracting Authority reserves the right to modify this contract during its term in accordance with Section 74(1)(a) and Paragraph 1 of Schedule 8 of the Procurement Act 2023.

These modifications may include:

- Adjustments to service volumes, or delivery locations within Dorset where they are necessary to respond to changes in funding, policy or service demand.
- Changes to funding levels, including application of grant funding or budget reductions.
- Further extensions (both for time and value), subject to performance and funding availability alongside governance approvals which might be necessary to respond to changes in funding, policy, or service demand.
- Extension of the contract term beyond the 10 per cent provided in Section 74(3)a

- Inclusion of additional waste management needs, provided they fall within the broad scope of the original specification

Any modification made under this clause will be documented and, where required, published.

The contracting authority also reserves the right to carry out a subsequent procurement of similar goods, services or works in reliance on the direct award justification in paragraph 8 of Schedule 5 to the Procurement Act 2023.

Other information

Payment terms

The Contracting Authority is required to make payments against valid, non-disputed invoices within a maximum of 30-days, as per Section 68 of the Procurement Act 2023.

Description of risks to contract performance

The Contracting Authority considers that the following known risks may jeopardise the satisfactory performance of the contract, but due to the nature of the risks, are unable to be addressed in the contract as awarded:

- Fluctuations in funding - such as reductions or additions in budget allocations as part of the Council's budget setting processes, or as a consequence of additional funding streams which were unknown at the time of awarding the contract, but which are provided to increase the volume and scope of services delivered.
- Unexpected events such as War, pandemics or other unforeseen events may disrupt supported employment arrangements.
- The changing needs and requirements of the Council and the changing demands placed on the Council by its customers.
- Changes in legislation or national guidance may alter the obligations or feasibility of the arrangement.

Following the identification of the above known risks, the Contracting Authority reserves the right to modify the contract during the term of the contract in accordance with Schedule 8, Paragraph 5 of the Procurement Act 2023.)
