Reference

NNR019/500

Description

Parsonage Down NNR (Shrewton, Wiltshire) require a replacement water pump and associated equipment to pump water from a bore hole . The pump must also come with a keraflo system to top water up from the mains water supply. The pump must be insulated and come with a replacement shed or housing. The pump is in the farmhouse garden which is accessible from the main drive. The pump replacement needs to happen whilst still providing water across the farm whilst the work is being carried out. The work needs to be completed before the end of march 2026.
