Description

UKNNL is seeking to establish a framework agreement with a single supplier/ joint venture to undertake the role of “Strategic Design Partner” to support UKNNL with Deconversion. The framework agreement will run for 4 years. The objective of this preliminary market engagement is to provide an update on the Deconversion Programme of work being undertaken by UKNNL and to brief the market on the upcoming tender exercise. The session will include an overview of the project, an outline of the tender procedure, framework agreement arrangement and call-of contracts and timeline of activities.
