Scope

Description

This procurement seeks to appoint a suitably qualified and accredited supplier to deliver asbestos survey services across Trent & Dove Housing's property portfolio. The service will include reinspection surveys, management surveys, targeted and refurbishment surveys, as well as roofline, communal, and guttering/gable-end inspections.

The appointed supplier will be responsible for carrying out asbestos surveys in accordance with current legislation and best practice, ensuring all works are completed safely, efficiently, and with minimal disruption to residents. Survey data and reports will be provided in a clear, accessible format compatible with Trent & Dove's existing compliance systems (C365).

The aim of this procurement is to ensure continued statutory compliance, accurate recording of asbestos information, and effective management of asbestos risks across all relevant properties.

Engagement process description

Interested suppliers are invited to participate in this Pre-Market Engagement (PME) exercise by reviewing and completing the PME Questionnaire provided with this notice.

The purpose of this engagement is to gather supplier insight, innovation, and feedback to help Trent & Dove Housing shape the upcoming Asbestos Survey Services procurement. This includes the provision of reinspection, management, targeted, and refurbishment asbestos surveys across our housing stock, along with accurate reporting and data management to maintain regulatory compliance.

Suppliers should:

Download and complete the PME Questionnaire attached to this notice.

Submit their completed response by email to lewis.pavey@trentanddove.org, clearly marked "PME Response - Asbestos Surveys - ID692".

Ensure responses are submitted by the stated closing date.

All information gathered will be used solely to inform the future procurement approach and specification. Participation in this exercise is for market research purposes only and does not constitute a formal tender or prequalification.

Trent & Dove Housing may use the feedback received to refine its requirements, evaluation approach, and contract structure. Suppliers who engage in this PME will not be advantaged or disadvantaged in any future tender process.
