Warrington Borough Council (the Council) are looking to commission a service for 2 years with 1 x 12 month optional extension, to support wellbeing, independence and promote Healthy Ageing in the Borough. - To support hospital discharge pathways ensuring individuals return to independent living through the provision of out of hospital support within the home.
- To reduce the number of falls and falls related admissions to hospital through the provision of an at home falls prevention offer.
- To increase confidence in adults using digital technology to enhance quality of life and reduce digital exclusion.
