Tender

Fuel Cards and Associated Services VII

Crown Commercial Service

UK4: Tender notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-068255

Procurement identifier (OCID): ocds-h6vhtk-0553e8 ([view related notices](#))

Published 24 October 2025, 2:53pm

Scope

Reference

RM6367

Description

The agreement will provide the UK Public Sector with an easy and efficient method to pay for road fuels such as diesel and petrol and associated services such as oils & lubricants.

Please be aware that the UK1 Pipeline notice for RM6367 Fuel Card and Associated Services VII was published under OCID ocds-h6vhtk-0503bc.

Commercial tool

Establishes a framework

Total value (estimated)

- £1,500,000,000 excluding VAT
- £1,800,000,000 including VAT

Above the relevant threshold

Contract dates (estimated)

- 5 February 2026 to 4 February 2030
- 4 years

Main procurement category

Goods

CPV classifications

- 30163100 - Agency fuel cards

Contract locations

- UK - United Kingdom

Justification for not using lots

The service requirement is to provide fuel cards that can be used within the UK. The Suppliers also work off providing coverage within the UK and even if we created Lots, we would have the same Suppliers in every Lot meaning that there wouldn't be any additional value in it.

Framework

Maximum number of suppliers

Unlimited

Maximum percentage fee charged to suppliers

0.20%

Further information about fees

The Supplier will pay, excluding VAT:

0.2p per litre of all the Charges for the Deliverables invoiced to the Buyer under all Call-Off Contracts.

Aside from the volume, the following is also applicable;

0.2% of the total value of alternative fuels (e.g. electricity, hydrogen, etc.)

2% of consumables (e.g. oil & lubricants, screen wash, etc.)

0.5% card and transaction fees.

Framework operation description

Refer to Framework Schedule 7 - Call-Off Award Procedure for details of the competitive selection processes for the award of contracts under this framework.

Both Award Without Competition and Award By Competition is available to award contracts under this agreement.

Award method when using the framework

Either with or without competition

Contracting authorities that may use the framework

Refer to RM6367 Fuel Cards and Associated Services VII - Customer List for details of contracting authorities that may use the framework.

Participation

Legal and financial capacity conditions of participation

The conditions of participation relating to the legal and financial capacity are set out in the ITT, in the procurement specific questionnaire. The conditions of participation will be assessed in accordance with the assessment methodologies detailed in the procurement specific questionnaire and Attachment 2 How to tender.

Technical ability conditions of participation

The conditions of participation relating to technical capability are set out in the ITT, in the procurement specific questionnaire. The conditions of participation will be assessed in accordance with the assessment methodologies detailed in the procurement specific questionnaire and Attachment 2 How to tender. Specifically there is a requirement to complete a Attachment 2b Technical ability certificate (TAC).

Particular suitability

Small and medium-sized enterprises (SME)
