## Scope

## Description

The Cutty Sark has undergone a major restoration project following a fire in 2007, with the ship reopening under RMG's management in 2012. The authority is seeking to appoint a contractor to replace the external and internal lighting installation across sections of the ship to improve the controls, energy efficiency and operation of the systems. All works must be completed by the 31st of March 2026 and need to be delivered in accordance with the design and specification parameters set out.
