Notice identifier: 2025/S 000-068324

Procurement identifier (OCID): ocds-h6vhtk-05d37f

Published 24 October 2025, 4:21pm

Changes to notice

This notice has been edited. The [previous version](#) is still available.

The BBC is withdrawing this notice and suppliers should not submit a response to it.

Scope

Description

The BBC is seeking information from suppliers to inform its future digital transformation of

TV Licensing, aiming to improve automation, data integration, and customer engagement. The strategy focuses on implementing advanced campaign management, analytics, and data warehousing solutions to support personalised, multi-channel communications and operational efficiency. Respondents are invited to provide insights on technology capabilities, implementation approaches, pricing models, and innovations, with submissions due via the Jaggaer portal by 21st November 2025. This RFI is exploratory and non-binding, intended to shape future procurement decisions without guaranteeing any contractual outcomes.

Contract dates (estimated)

- 1 December 2026 to 30 November 2031
- 5 years

Main procurement category

Services

CPV classifications

- 72212218 - License management software development services
- 48000000 - Software package and information systems

Engagement

Engagement deadline

21 November 2025

Engagement process description

Suppliers must sign an NDA before accessing the RFI documentation. The NDA can be found on the BBC's eTendering Portal Jaggaer at <https://bbc.bravosolution.co.uk/web/login.html>. This should be sent through the messaging portal with an email address of the signatory.
