Description

At Thirteen, we've been working to help improve the lives of people in our neighbourhoods for years. We provide our customers with homes, support and opportunities to grow.

We own and manage 35,000 properties across the North East and Yorkshire and offer a home for life, providing housing and support services. We're here for anyone who needs a home and a helping hand too.

We're the largest housing provider in the North East of England, and amongst the biggest 25 nationally, but we remain locally responsive. We work hard to support communities in the places we have homes to help address the social, economic and environmental issues that matter to our customers and partners.
