I.4) Type of the contracting authority

Body governed by public law

I.5) Main activity

Education

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Chemical Disinfection and Inspection of Water Systems at Keele University

Reference number

KU/691/DP/AW/2024

II.1.2) Main CPV code

- 71631000 - Technical inspection services

II.1.3) Type of contract

Services

II.1.4) Short description

Tenders are invited from interested parties for the Contract for Chemical Disinfection and Inspection of Water Systems at Keele University in accordance with the Tender Specification Documents in Section 2 of the Invitation to Tender (ITT).

The Tender Specification Documents are listed in Section 2 of the ITT and are attached as separate documents.

The services required are fully described in the Tender Specification Documents.

All Tenderers are required to submit a compliant tender response in accordance with the tender requirements as set out in the Tender Specification Documents.

All tender responses will be subject to the Tender Evaluation Methodology as set out in the ITT.

Main reasons for the decision not to sub-divide the contract into lots: Given the need for one Service Provider to co-ordinate the delivery of all of the services required, the contract has not been subdivided into lots.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £526,996.80

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKG24 - Staffordshire CC

Main site or place of performance

The University of Keele campus.

II.2.4) Description of the procurement

The contract will run for a period of three years from 1st August 2025 to 31st July 2028 with options to extend for two further periods of one year each until 31st July 2030. The decision of whether to take up the extension options will be down to the absolute discretion of the University.

The estimated total value of the contract over the 3+1+1 years contract period is £1 million excluding VAT.

In order to assist Tenderers in preparing their tender submission, the University will be holding a collective site visit with all potential Tenderers on Wednesday 14th May 2025 to allow Tenderers to get an appreciation of the size and scale of the campus.

It is a mandatory requirement that all Tenderers attend the site visit. Tenderers should note that the University is not in a position to offer any alternative dates.

The site visit is not part of the scoring assessment and is offered to Tenderers by way of informing their Tender responses only.

This Selection Questionnaire ("SQ") is issued with a draft Invitation to Tender ("ITT") document as part of this procurement procedure's suite of procurement documents for the Contract for Chemical Disinfection and Inspection of Water Systems at Keele University.

Interested parties are required to complete the Selection Questionnaire (SQ) and return this before the SQ deadline.

II.2.5) Award criteria

Quality criterion - Name: Approach and Methodology for the delivery of the Contract for Chemical Disinfection and Inspection of Water Systems at Keele University / Weighting: 200 marks
