Scope

Description

This contract on behalf of Denbighshire County Council involved comprehensive external landscaping and civil works to upgrade pedestrian areas and improve accessibility. Key elements included the removal and on-site recycling of existing concrete surfaces, installation of new tarmac pathways, construction of new accessible ramps and steps with associated retaining walls and handrails, and the repair of existing steps. New concrete edgings was to be installed around pathways and planting beds, and concrete bollards will be added to restrict vehicle access. The project emphasises sustainable construction practices through material reuse.
