### Scope

#### **Description**

Newcastle City Council (NCC) is inviting tenders for the provision of a cloud-based Fleet Management System to support the operations of our City Transport Team, part of the City Operations Neighbourhoods & Regulatory Services Directorate.

This system will play a vital role in enhancing the management and oversight of the Council's vehicle assets. Through this procurement, NCC aims to implement a modern, efficient, and transparent solution that will improve service delivery, optimises fleet performance, and delivers greater value for money.

This strategic investment reflects the Council's commitment to innovation and continuous improvement in public service operations.
