Description

****THIS IS NOT A CALL FOR COMPETITION****

Leicester City Council (the Authority) are considering commissioning a Domestic Abuse Safe Accommodation – Sanctuary Scheme service for Leicester City. It is anticipated that tenders for this service would be sought in January 2026, to enable a new contract to begin on 1st April 2026. The Authority is likely to use the Open Procedure in line with the Procurement Act 2023.

A Sanctuary Service is a survivor centred initiative which aims to make it possible for victim-survivors of domestic abuse to remain in their own homes, where it is safe for them to do so, where it is their choice, and where the perpetrator does not live in the accommodation. This is done by providing additional security – ‘installing a sanctuary’ –

to the victims' property or perimeter alongside the provision of specialist domestic abuse support.

The service is to be provided free of charge to applicants. The local authority will be looking for a provider to deliver a prompt and effective target hardening measures for domestic abuse victims in Leicester in collaboration with the specialist locality domestic abuse support service. The provider will need to work closely and efficiently with this service and robustly evidence clear impact of meeting local need.

This service will be provided within the boundaries of Leicester city.
