Description

As stated in the Notice for Mental Health Supported Living Phase 1, published on 15th October 2025 (reference:2025/S 000-065676) , Camden Council was unable to award the contract for Lot 3, the new Women's Mental Health Supported Living Service that went out to tender earlier this year.

In light of this, we are seeking feedback from providers-both those who submitted bids and those who did not-to help us better understand views on the proposed service model. We are particularly interested in your reflections on Appendix 2 of the specification. For the purposes of this survey the annual budget for the service is £420,000 per year for five years with the option to extend for one period of two years.

We would be grateful if you could share your insights by completing the Market Engagement Survey via the following link:

The survey will remain open for responses until 11th November
