This notice has been edited. The [previous version](#) is still available.

Scope

Description

Havant Borough Council (the council) is inviting bidders to submit tenders for the provision of pre-letting (void) refurbishments at 14 flats in a block in Market Parade, Havant.

The general refurbishments required include:

- Upgrading the electrical installations
- Upgrading the fire doors
- Replacement of electrical heaters
- Overhaul of uPVC windows and doors
- Installation of new kitchen appliances
- Rubbish clearance
- Carpet/vinyl flooring cleaning and replacement
- Joinery repairs
- Mould treatments and some redecoration
- Installation of new electric showers

The refurbishments are anticipated to take 6-8 weeks. The council is keen for the Works to start as soon as possible and Bidders must provide a proposed start date within their returns.

To assist bidders with their tenders, the council is offering supervised site visits during the week commencing 3rd November 2025. Bidders wishing to attend a site visit must confirm their details and preferred date/time using the messaging function within the portal, and in accordance with Section 6 of the Invitation to Tender.

The estimated value of the project is £100,000 excluding VAT.

The council is proposing to manage the refurbishment using a JCT Minor Works Building Contract (2024).

The closing date for receipt of tenders is 12:00 on Monday 24th November 2025.

Participation

Conditions of participation

The conditions of participation are outlined in the procurement documents and are summarised below:

FINANCIAL CAPACITY:

The council will use the CreditSafe Rating Model to determine whether a Bidder is a financial risk to the extent that they cannot perform the contract. A full breakdown of the council's approach to economic and financial standing is provided in Annex B of the Invitation to Tender.

INSURANCE

Bidders must demonstrate that they hold or can commit to obtaining:

- Public Liability Insurance = £10million for each and every claim
- Employer's Liability Insurance = £5million for each and every claim
- Professional Indemnity Insurance = £2million for each and every claim

TECHNICAL CAPACITY

Accreditation - Bidders must evidence that the person responsible for all electrical work is NICEIC accredited.

Experience - Bidders must provide 2 case studies to demonstrate they have completed refurbishments of a similar scale and scope. At least 1 on these examples must demonstrate managing works in multiple properties and managing multiple trades.

Health and Safety - Bidders must evidence that they have suitable health and safety policies in place.

Particular suitability

Small and medium-sized enterprises (SME)
