## Procedure

### Procedure type

Competitive flexible procedure

### Competitive flexible procedure description

The Council intends to use a competitive flexible procedure for this requirement. This process is still being finalised and is subject to change at this point. However, it is anticipated the process will include the submission of an initial tender in response to tender documentation and specification published. This will be followed by a period of review, clarification and dialogue with suppliers before suppliers are invited to submit best and final offers for formal evaluation.
