2464-26

Description

East Riding of Yorkshire Council is seeking to partner with a supplier who is able to deliver connectivity for a Software Defined Wide Area Network (SD WAN).

The Council has undertaken a full review of its existing MPLS WAN solution and will be running a separate procurement activity for the supply of a Cisco based SD WAN Solution concurrently with this tender. This planned procurement is for WAN connectivity services to compliment that solution.

Contract dates (estimated)

- 1 June 2026 to 21 July 2032
- 6 years, 1 month, 21 days

Options

The right to additional purchases while the contract is valid.

The Council reserves the right to procure additional hardware and services throughout the course of the contract where it compliments the solution and is beneficial to the service delivered by the Council.

Main procurement category

Goods

CPV classifications

- 30000000 - Office and computing machinery, equipment and supplies except furniture and software packages

Tenders may be submitted electronically

Yes

Languages that may be used for submission

English

Award decision date (estimated)

30 March 2026

Procedure

Procedure type

Competitive flexible procedure

Competitive flexible procedure description

The Council intends to use a competitive flexible procedure for this requirement. This process is still being finalised and is subject to change at this point. However, it is anticipated the process will

include the submission of an initial tender in response to tender documentation and specification published. This will be followed by a period of review, clarification and dialogue with suppliers

before suppliers are invited to submit best and final offers for formal evaluation.
