### **Unawarded contract**

This contract will not be signed.

### **Date of decision not to sign contract**

28 October 2025

### **Reason for not signing contract**

Due to recent strategic directives, we are required to review and reduce current contract costs. As a result, the estimated budget for this contract will be revised, representing a significant change from the original tender.

Accordingly, we will withdraw the current tender and intend to issue a new one as soon as possible.

Before publishing the new tender, we plan to re-engage with the market to gather feedback on our proposed approach.
