Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Agreement for the Supply of Radiometric Protection Instruments - Spares and Consumables

Reference number

4610002970

II.1.2) Main CPV code

- 35113200 - Nuclear, biological, chemical and radiological protection equipment

II.1.3) Type of contract

Supplies

II.1.4) Short description

The contract is for acquiring supplies from the supplier (Curtiss-Wright) to prevent difficulties in operation and maintenance of the Curtiss-Wright radiometric support equipment, ensuring the supplies used are that of the suppliers own equipment (to which the supplier has the Intellectual Property Rights and patents) so that:

- The Radiometric protective equipment is correct and is part of a set of pre-approved type tested equipment which has been evaluated and considered fit and safe for the intended purpose.
- The spares in use meet a predetermined specification which matches the equipment outlined above. As the OEM, the supplier is required to ensure that their spares continue to meet that specification.

The supplier retains the intellectual property rights (IPR) for the Radiometric Protection Instruments, restricting the ability of another economic operator to provide the supplies.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £450,000

II.2.4) Description of the procurement

The contract was awarded to the supplier (Curtiss-Wright) to maintain an ongoing supply of pre-approved spares and consumables to maintain the most robust and safe use of the Curtiss-Wright equipment. The contract will enable the supplier to continuously support the timely supply of the correct spares required.

As the supplier retains Intellectual Property Rights (IPR) this restricts the ability of another economic operator to provide the supplies and ensure the safe operation and

maintenance of Curtiss-Wright equipment on site.

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

The service provider retains the Intellectual Property Rights (IPR) for the supplies, and would restrict the ability of another economic operator to provide the supplies, with justification for contract award on the grounds of Regulation 32(2)(b)(iii) PCR 2015 (the protection of exclusive rights, including intellectual property rights). Regulation 32(2)(b)(ii) PCR 2015 (competition is absent for technical reasons) also applies.

Regulation 32(5)(b) PCR 2015 also applies (for additional deliveries by the original supplier which are intended either as a partial replacement of supplies or installations or as the extension of existing supplies or installations where a change of supplier would oblige the contracting authority to acquire supplies having different technical characteristics which would result in incompatibility or disproportionate technical difficulties in operation and maintenance).
