Main site or place of performance

Falkirk Council Areas of operations

II.2.4) Description of the procurement

Provision of a Domestic Gas Heating Maintenance and Annual Servicing/Safety Checks to Council Housing Properties within the Falkirk Council Areas of Operations.

Key aims is the delivery of annual service & safety checks of all Council gas central heating installations to all applicable Council houses within the Falkirk Council Area, timeously and to the required standard, providing a competitive, reliable and customer-focused service.

The works mainly comprise of:-

- Maintenance Service of gas appliances including all breakdowns
- Emergency response time of 3 hours of notification
- 24 hours / 7 days a week emergency cover
- Provide sufficient heating (temporary heaters) and hot water facilities in the event that gas appliances will be inoperative overnight or long period of time.
- Provision of spare parts and components
- Annual Safety Checks/Servicing as instructed on a monthly basis.

Where hot water facilities are unavailable, the Contractor should aim to re-instate hot water supplies within 24 hours as per the Priority 1 response requirement or provide a temporary means of supply until rectification of issue.

Arranging program of service works as instructed to ensure each Council property with gas appliances is safety checked within the timescales provided.

This is a framework agreement to which a maximum of up to 5 contractors will be

appointed. In practice The Authority may therefore utilise a number of organisations for provision of the service dependent on price, availability and local circumstances.

Suppliers are advised to allow adequate time for uploading documents and to dispatch the electronic response well in advance of the closing time to avoid any last minute problems.

A sub-contract clause has been included in this contract. For more information see:
<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2363>

Community benefits are included in this requirement. For more information see:
<https://www.gov.scot/policies/public-sector-procurement/community-benefits-in-procurement/>

A summary of the expected community benefits has been provided as follows:

(a) Contractor Ranked No.1 on the Framework

Contractor ranked No.1 will be required to provide one Modern Apprenticeship (MA), or equivalent, within four months from award of the contract who is obtained from a source agreed by the Council. The Contractor will be required to meet with Falkirk Council's Employment and Training Unit to discuss implementation prior to contract start. The MA placement can be across a range of disciplines to be determined by the successful Contractor.

(b) All other Contractors on the Framework whose cumulative level of spend is greater than 100k GBP during the term of the agreement will be required to deliver community benefits which align with at least one of the themes and outcomes contained within the Falkirk Plan and/or relevant Community Action Plan that equate to at least 900 GBP for every 100k GBP of spend recorded. The contractor will be required to meet with Falkirk Council's Community Service to discuss implementation prior to contract start.
