There are 36 docs in total numbered 01 to 36.

Please read these first -

ITT (doc 03)

Tender Quality Response Document (doc 04)

The spec (doc 07)

Look at the pass/fail criteria in doc 04. If you cannot meet these criteria, please do not bid. Your bid will have to be rejected.

If you cannot download the docs, please e-mail me outside the portal.

This is an open tender.

Do not let that discourage you from bidding. Due to the pass/fail criteria and the constrained timescales, I doubt we will receive more than 4-5 bids.
