Tender

Highways Capital Improvement Projects Term Contract

Halton Borough Council

UK4: Tender notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-071080

Procurement identifier (OCID): ocds-h6vhtk-0523c0 ([view related notices](#))

Published 5 November 2025, 8:34am

Scope

Description

The proposed works covered under the Highways Capital Improvement Projects Term Contract typically but not exhaustively include:

- New kerbing and footway works.
- Carriageway realignment, reconstruction, planing and surfacing works.
- Junction improvement works.
- Traffic Signal Junctions and Controlled Crossings (Puffin, Toucan and Pegasus etc)
- Installation of Bus Stops and pedestrian crossing point to DDA standards.
- Provisions for cycling.
- Installation of street furniture
- Traffic calming features
- Drainage works

- Vegetation removal

Site-specific details will be issued with the individual works packages.

The contract has no guaranteed quantities, works orders will fluctuate according to demand and available budget.

The contract does not form a monopoly arrangement. The Council can at any time choose to place orders for works or services covered by this contract with other suppliers of such works or services. Placing of orders for items outside the contract will be entirely at the discretion of the Council and its officers and the Council will not be bound to account for any such decisions to the contractor. The Council is not committed to any maximum or minimum expenditure through the Agreement, and does not commit to maintaining current, or any level of spending. Any indicated Agreement value is based on historic data and subject to fluctuation both through demand and budgetary variation, figures are provided for illustrative purposes only.

No undertaking is given as to the minimum or maximum volume of work and/or spends under this Contract.

Total value (estimated)

- £8,000,000 excluding VAT
- £9,600,000 including VAT

Above the relevant threshold

Contract dates (estimated)

- 6 August 2026 to 5 August 2029
- Possible extension to 5 August 2030
- 4 years

Description of possible extension:

1 x 12 month extension - 6th August 2029 to 5th August 2030 to be given at the discretion of the Council

Main procurement category

Works

CPV classifications

- 45233100 - Construction work for highways, roads

Contract locations

- UKD71 - East Merseyside

Justification for not using lots

This is a contract where works are called off when required. There is no formal programme of future requirements so unable to lot as specific needs are unknown.

There is insufficient known work in each discipline to lot the contract.

Participation

Legal and financial capacity conditions of participation

Please refer to the procurement documents at www.The-Chest.org.uk for details

Technical ability conditions of participation

Please refer to the procurement documents at www.The-Chest.org.uk for details

Particular suitability

Small and medium-sized enterprises (SME)

Submission

Tender submission deadline

10 December 2025, 3:00pm

Submission address and any special instructions

Important Supplier Registration Requirement

In line with the Procurement Act 2023, the Council cannot consider any bid from a supplier who has not registered on the Central Digital Platform (CDP) (also known as the enhanced Find a Tender Service), which went live on 24 February 2025.

Registration is mandatory for participation in this tender process.

Suppliers must ensure they are registered and have submitted their core supplier information via the CDP prior to submitting a bid.

To register and access guidance, please visit: The Central Digital Platform - Factsheet (HTML) - GOV.UK

How to Access the Tender Documentation

To access the Invitation to Tender documentation and requirements, and to register your interest in this opportunity please visit the Council's e-tendering portal:
