Description

Lincolnshire County Council is looking to procure a Contractor to provide highway traffic signal services.

The Contractor is required to provide a comprehensive service for the maintenance and improvement of all traffic signals on the Lincolnshire Highway Network. The traffic signal contractor shall provide all the resources required to provide the service which includes a 24 hour, 365 day a year call out service for traffic signal faults and damage.

The Traffic Signal Term Contractor is required to provide all of the site based maintenance and improvements activities for Lincolnshire County Council and will work closely with the in-house team and other contractors to deliver the whole service.
