Framework operation description

The objective of the selection process is to assess the responses to the tenders submitted and to then select a preferred bidder with the intention to appoint.

The tender evaluation exercise will seek to balance the issues of quality and price to ensure that the bidder chosen offers the best deal for the Council.

Upon receipt of formal tenders, the Council will be concerned to ensure that there has been full compliance with the ITT documents, and all necessary information has been supplied. The information supplied will be checked for completeness and compliance before responses are evaluated. The Council shall not be bound to accept the lowest price of any bid submitted.

Schedule 1 of the ITT Response Document will be marked on a pass/fail basis and this will entail conducting an independent financial credit check (via Company Watch) along with the taking up of references.

Schedule 2 and 3 of the ITT Response Document will be evaluated on the basis of the most advantageous offer to the Council.
