Changes to notice

This notice has been edited. The [previous version](#) is still available.

In August 2025, Severn Trent Water published a Preliminary Market Engagement (PME) notice seeking input from the market regarding the design and supply of two sludge drying units for deployment at two separate sites.

We are continuing our market engagement and have identified the need for additional information to ensure that the proposed dryer locations have adequate space and supporting infrastructure. This update aims to gather further technical and ancillary details to inform our strategic planning and site preparation considerations.
