Scope

Description

Oxford Brookes University has a student population of approximately 17,000 students and over 2800 staff, with approximately 2000 students being members of our 39 sports clubs, and a wider Sport & Active Wellness membership consisting of 6000 student, staff and community members accessing a range of our facilities and services.

With our existing Under Armour contract terminating on 31st December 2025, the Directorate of Sport & Active Wellness are now requiring a new contract to be established with a sportswear supplier for a long-term partnership that enables student sports clubs, sports staff and coaches and the general student and staff community to wear university-branded sports apparel to help support the University's profile and brand better in the wider HE environment.
