Planning

GLA Technical Support to Green Roots Fund and Strategic Projects

Greater London Authority (GLA)

UK3: Planned procurement notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-071621

Procurement identifier (OCID): ocds-h6vhtk-05dbcb

Published 6 November 2025, 1:12pm

Scope

Description

Technical delivery support for green and blue infrastructure projects as part of the Green Roots Fund and Strategic Projects. A consortium of expert advisers would be procured to support delivery partners and grant recipients to develop and deliver good quality projects that meet the needs of Londoners, adding value and capacity as required. This could include technical input such as advice on funding and finance models; equality, diversity and inclusion; and ecological and climate resilient landscape design to enable faster delivery of projects. Areas of expertise required would include • Landscape and urban design • Arboriculture • Climate adaptation and resilience • Ecology and biodiversity • Inclusion and engagement • Sustainable urban planning • Flood risk management • Water quality and management • Public Health • Transport planning • Procurement and project management • Finance.

Total value (estimated)

- £916,000 excluding VAT

- £1,099,200 including VAT

Above the relevant threshold
