Award decision-makers: The award decision has been made by the Chief Finance Officer of the Derby & Derbyshire, Lincolnshire and Nottingham, Nottinghamshire Integrated Care Board Cluster on the 23rd October 2025.

Conflicts of Interest: 1 perceived Conflict of Interest and 1 actual Conflict of Interest were identified throughout the process.

Due to the nature of the perceived conflict, the mitigation provided and the robust open, fair and transparent procurement process being undertaken, it was agreed with the Commissioning Lead and the Associate Director of Contracting and Procurement that no further action was required at the time.

The planned mitigation measure was to remove panel members from the procurement and evaluation processes if the perceived conflicts of interest became actual. However, this did not materialise, and panel member was able to continue with their role on the procurement.

Due to the nature of the actual conflict that was identified, it was decided by the ICB to remove the individual from the evaluation panel and replace with another subject matter expert.

The lifetime value of the contract is expected to be £12,215,000.

The Key Criteria used and weighted by the authority were as follows:

- Quality and Innovation: 64.00%
- Integration, Collaboration & Service Sustainability: 6.00%
- Improving access, reducing health inequalities and facilitating choice: 10.00%

- Social Value: 10.00%
- Value: 10.00%

The rationale for this was based on the detailed list of all requirements according to the specification and requirements of the integrated care system.
