Description

Value: £250,000 including VAT

The Royal Armouries Museum is procuring the Genghis Khan special exhibition, which includes exclusive access to unique artifacts, interpretation, and digital media related to the exhibition. This package is entirely owned and managed by Nomad Exhibitions, leveraging their specialised expertise and exclusive relationships with Mongolian lenders and authorities. Due to the unique nature of the content, access restrictions, and lack of suitable alternatives, a direct award is the most appropriate method to secure this valuable and historically significant exhibition for the Royal Armouries Museum.
