## **Procedure**

### **Procedure type**

Direct award

### **Direct award justification**

Extreme and unavoidable urgency

Direct award was due to an absence of competition for technical reasons, only a particular supplier can supply the goods, services or works required, and there are no reasonable alternatives to those goods, services or works. This meant the goods, services or works to be supplied under the public contract are strictly necessary for reasons of extreme and unavoidable urgency, and as a result the public contract cannot be awarded on the basis of a competitive tendering procedure.
