Notice identifier: 2025/S 000-071853

Procurement identifier (OCID): ocds-h6vhtk-05dc56

Published 7 November 2025, 9:18am

Scope

Reference

WS2641033202

Description

The ambience work is aimed at restoring and upgrading interior surface finishes to enhance the overall passenger environment on the Central Line 1992 Tube Stock (92TS). Many vehicles currently exhibit signs of deterioration, including damaged window protective films, scratched or faded interior panels, and instances of graffiti. The refurbishment works are required to improve the ambience of saloon and cab interior areas, as well as car exterior. In context, the restoration/upgrading works covers aspects of saloon interior, car interior, car exterior.

Engagement

Engagement deadline

25 November 2025

Engagement process description

The preliminary market engagement process involves asking the interested suppliers to complete an early market engagement questionnaire which will be submitted to the suppliers once they have expressed their interest. The questionnaire is for assessing the current supplier market for the required services and is not part of a tender process.
