Contract locations

- UKH14 - Suffolk

Other information

Conflicts assessment prepared/revised

Yes

Procedure

Procedure type

Direct award

Special regime

Utilities

Direct award justification

Switching to direct award

The competitive tendering procedure was unsuccessful at conditions of participation round when it became clear that this type of machinery was not readily available in the market. One supplier provided sufficient evidence that they can technically provide the specification we require at the conditions of participation for us to proceed. We will be working with the direct manufacturer.
