#### Scope

### **Description**

The Science Museum Group seeks a supplier to finalise the design, manufacture, assemble, install, and commission electric drive systems for selected historic working machines (HWMs) in the Power Hall, Manchester. This work follows a preliminary audit (Stage 1) that defined the scope of work required. A detailed condition audit and benchmarking process (Stage 2) is currently underway and will run alongside this project. Please refer to the tender document pack for detailed information.
