Award

942051957 IMP-T1327 Compatibility of heights of standard vehicle gauges with low contact wire heights

Rail Safety Standards Board (RSSB)

UK6: Contract award notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-072046

Procurement identifier (OCID): ocds-h6vhtk-0528d7 ([view related notices](#))

Published 7 November 2025, 1:33pm

Scope

Reference

942051957 IMP-T1327

Description

This research intends to investigate the discrepancies between the maximum vertical dimensions within different gauges, which could create safety issues where such exceedances occur in the vicinity of live overhead wires. The results of this piece of work needs to provide robust evidence to inform the creation of a technical note and potential changes to gauging and electrification standards.
