Scope

Description

LondonEnergy wish to invite prospective suppliers to bid for the collection, treatment and recycling of the following service and/material streams.

The tender shall be for ONE LOT for the Collection and Recycling of Mattresses across 7 locations in the North London Area including LondonEnergy Waste Transfer Stations and Reuse and Recycling Centers (RRC's).

Mattresses are generated through Local Authority collection services in North London and are free from institutional mattresses or any other items that may currently be classified as POPs.

Required weekly collections, will be based on the specification to be uploaded via ESourcing platform.

Whilst we expect inputs will fluctuate, expectation is the for the winning bidder to provide set collection days for each facility that will form part of the contract KPI's.

*Please note: Due to space Restrictions, the collection service at our Public Reuse and

Recycling Centers (RRC's) is carried out using Refuse collection vehicles (RCV's)

Loads from our Waste Transfer Stations will be collected on articulated vehicles which will be loaded by LondonEnergy using 360 mobile plant.

Note: Preliminary market engagement was published 27th March UK2: Publication reference: 2025/S 000-011454
