Scope

Description

The Lyneham Technical Training Project (LTTP) will deliver engineering and technical training at MOD Lyneham for the following schools:

1. Defence School of Electrical and Mechanical Engineering (DSEME)
2. No 4 School of Technical Training (4SoTT)
3. 8th Battalion and REME Arms School (RAS)
4. Defence School of Aeronautical Engineering (DSAE)
5. School of Army Aeronautical Engineering (SAAE)

LTTP will deliver the following services:

1. Business Management

2. Legal, Regulatory & Safety (related to training)
3. Support to Learning
4. Learning Design
5. Learning Planning
6. Learning Delivery & Governance
7. Equipment Support (GFX)
8. International Defence & Wider Markets Training

The below information shows the LTTP procurement timeline, which is indicative and could change as the procurement progresses:

COP Live: November 2025 - December 2025

COP Evaluation: December 2025 - January 2026

COP Results: January 2026

ITT Launch: February 2026

ITT Close: February - March 2026

Evaluation period: March - April 2026

Consensus & Moderation: April - May 2026

Negotiation Phase: June 2026

Negotiation phase Evaluation of final tenders: July 2026

Negotiation phase moderation and consensus: July 2026

Preferred Bidder Selected: August 2026

Award Recommendation report: August 2026

Total value (estimated)

- £170,000,000 excluding VAT
- £204,000,000 including VAT

Above the relevant threshold

Contract dates (estimated)

- 1 November 2026 to 31 October 2030
- Possible extension to 31 October 2032
- 6 years

Description of possible extension:

The Authority has the right to extend LTTP for option periods. The construct of LTTP is therefore: 4+1+1. The estimated contract value (£170,000,000) is inclusive of these option periods. The estimated value of the 4 years is £115,000,000.

Options

The right to additional purchases while the contract is valid.

The LTTP Contract contains option periods, the first with the following dates: 01 November 2030 - 31 October 2031. The second with the following dates: 01 November 2031 - 31 October 2032. The Authority reserves the right to agree lengths of extensions as deemed appropriate by the Authority up to the maximum two year period.

CPV classifications

- 80531200 - Technical training services

Contract locations

- UK - United Kingdom

Justification for not using lots

Considering the close integration required of each of the scope areas to deliver bespoke and highly specialist engineering and technical training, it was deemed not value for money to lot LTTP.

Participation

Legal and financial capacity conditions of participation

As outlined in the PSQ and PSQ Assessment Methodology documents.

Technical ability conditions of participation

As outlined in the PSQ and PSQ Assessment Methodology documents.

Competitive flexible procedure description

This procurement will be conducted under the competitive flexible procedure in accordance with the Procurement Act 2023. This multi-stage procurement process will consist of the following stages:

1. PSQ - Procurement Specific Questionnaire
2. ITT - Initial Tender Stage
3. Negotiation Phase
4. ISFT - Invitation to submit final Tender

Conditions of Participation (COP):

Suppliers will be required to demonstrate that they meet the minimum standard for LTTP and will be assessed on the following areas on a pass/fail basis as outlined in the PSQ and PSQ Assessment Methodology Guidance Documents issued at the same time as this notice. Suppliers who pass the PSQ stage will then be invited to submit tenders at the ITT stage.

- Legal
- Financial
- Technical Capability

Invitation to Tender (ITT) and Negotiation:

The contract will be awarded on the basis of the MAT (Most advantageous Tender), assessed on a combination of quality and cost to achieve best overall Value for Money.

The competitive flexible procedure will include a negotiation phase during which shortlisted suppliers will be invited to refine and clarify their proposal in order to submit their final tender.

The final evaluation and contract award will be based solely on the award criteria and weightings set out in the ITT documentation. Full details of the evaluation methodology and negotiation process will be provided in the ITT documentation to suppliers that satisfy the COP and are shortlisted to the ITT stage.

Documents

Documents to be provided after the tender notice

The PSQ and PSQ Assessment Methodology will be published on the Defence Sourcing Portal (DSP) via the submission address link included in this notice. Details of submission instructions can be found in the PSQ Assessment Methodology document.
